

Hexagon Tree Bench Manual

Parts Included:

Qty. 6
Back Support

Qty. 6
Seat Panel

Qty. 6
Leg support

1. Set up the leg supports as shown in Fig. 1 along with the Seat Panel. Use the screws provided to secure the seat.

Fig. 1

2. Make sure the seat fits inside the groove as shown in Figure 2.

Fig. 2

3. The Back Support can be set up directly on top of the seated pillars as shown in Fig. 3. Screw in where necessary.

Fig. 3

4. Fig. 4 shows how the back support should be set. Repeat this process for the remaining segments.
