1. Unpack the box containing your Willow Raised Bed. Verify that you have received all required pieces. Woven arch top willow raised bed kit includes: 4 pieces 48"L x 8"H willow panels, 4 pieces 20" cedar stakes, and wire tie.

2. Use a rubber mallet to pound in (1) Cedar Wood stake. Pound the stake until only one foot remains above ground. Use (2) of the Willow Raised Bed Walls and place them on the side of the stake. *Make sure to have the Walls overlap a bit to hide the cedar stake.* Then take (2) Zip Ties and use one at top, loping it around all (3) pieces and tighten the Zip Tie. Do the same thing at the bottom of the stake.

3. Now repeat step 2 until you have completed the set. Once you've done that you should now have a beautiful Raised Willow Bed perfect for any garden!
